

Think Outside ...

Appraisal Solutions Beyond the Status Quo

You do have more choices than you think!

InHouse Inc is a lender solutions company focused on connecting services and technology.

We serve our clients in three ways:

InHouse Solutions is your own internal appraisal department that doesn't cost you a penny. We are a high-touch appraisal management solution. If you seek service, then you will love to know that we limit how many files your coordinator processes each day - so that when you need us most we'll be ready.

InHouse Connexions allows you to manage multiple AMC's, appraisal companies and appraisers in real-time on one platform. Standardized performance statistics allows you to make informed decisions instantly.

InHouse Custom Solutions re-invents traditional appraisal management by giving you the options to customize the appraisal process. Create, design and control your appraisal solution the way you want it.

How do you manage your business?

1. Is it important for you to use an exclusive appraiser list? Yes No
2. Is it important for you to use multiple AMCs, appraisal companies and/or appraisers? Yes No
3. Are you willing to incur the time/cost of managing everything internally? Yes No
4. Is it important that your appraisers be paid maximum fee? Yes No
5. Do you want to be removed from the accounting processes? Yes No
6. Do you expect to spend more than 33% of your time in the appraisal process? Yes No
7. Do you want to be involved in the day to day of appraisal management? Yes No

Tally all your **"Yes"** answers and see your solution on the next page

Yes

InHouse Connexions

One technology. Multiple vendors.

InHouse Connexions levels the playing field by connecting all your appraisal vendors together on one platform. One platform to measure, allocate and manage AMC's, appraisal companies and appraisers!

How It Works?

1. You control allocation (*weighted, round-robin or random algorithm*).
2. Originators request and pay for an appraisal.
3. The system automatically delivers the order to the next vendor.
4. Once completed, the appraisal gets uploaded by the vendor.
5. You receive your report.

Key Benefits:

- ✓ *Manage multiple vendors!*
- ✓ *Real-time performance stats!*
- ✓ *Control allocation in real-time!*
- ✓ *Vendors manage payments!*
- ✓ *Easily add and remove vendors!*
- ✓ *Open and no cost integration!*

InHouse Custom Solutions

Mix and match your solution.

InHouse Select re-invents traditional appraisal management by giving you the options to customize the appraisal process. Create, design and control your appraisal solution the way you want it.

Imagine being able to use your appraiser list in major markets, pay them full fee, use our list in others, you perform the review, we take care of accounting, you deliver reports to borrowers and we manage the condition process.

Imagine the possibilities. Tell us and we will manage it.

Common Uses:

- ✓ *Use your list in key states and pay them full fee!*
- ✓ *Use our list out of state!*
- ✓ *Branch and regional rotations!*
- ✓ *Appraisal review against a custom underwriting checklist!*
- ✓ *Appraisal review against an AVM!*
- ✓ *Outsource accounting activities!*

InHouse Solutions

High-touch appraisal management.

InHouse Solutions means InHouse service. Think of us as your own internal appraisal department that doesn't cost you a penny. We manage your appraisal file from order to delivery with industry leading service level standards. You order it and we deliver it.

What Makes Us Different?

You hear the same pitch from every AMC. Every AMC claims to be the fastest and the highest quality. And we agree. Some of the competition is good! But what truly makes us different is our performance - because we care about your business. For starters, we'll even tell you not to "put all your eggs in one basket", even if that is business out of our pocket!

Key Statistics:

- ✓ *5.25 day average TAT nationwide (order to delivery)!*
- ✓ *Orders are touched on average 15 times before final delivery!*
- ✓ *Average appraiser distance from property is 13.5 miles!*
- ✓ *Appraisals are reviewed to a 75 point underwriting checklist!*
- ✓ *Purchase shorts are reviewed twice to ensure accuracy!*
