

InHouseUSA Appoints Mr. Shane Martin as Executive Vice President of Strategy and Business Development.

Jacksonville, FL - (February 10, 2017) - InHouseUSA is pleased to announce that Shane Martin joined the company as Executive Vice President of Strategy and Business Development, reporting to Mr. Tom McCormick, President and CEO.

Shane joined InhouseUSA in November of 2016 to provide a strategic direction and growth to this exciting valuation platform. He will combine his 5+ years in the mortgage technology and AMC space with the InhouseUSA's executive teams' passion to create a new experience in the valuations process for the lenders and the borrowers.

Having been in the mortgage industry for over 23 years, Shane brings with him a deep understanding of the trials and tribulation from all levels and positions in the production of a mortgage. He has held positions ranging from mortgage loan officer to regional vice president with a 13-state reach, from wholesale to retail, from production to operations. It is this experience combined with his 5 years at Streetlinks, the he brings a much-needed perspective to creating a new experience in the valuations space.

"We are excited for Shane to bring his wealth of knowledge and experience with our team and to bring innovative appraisal management solutions to more clients across the US market," said Mr. Tom McCormick, President and CEO of InHouseUSA.

About InHouseUSA: Founded in 2002, InHouseUSA is a financial services technology company. We support top and mid-tier lenders nationwide; enabling the management of quality outsourced commercial and residential appraisals. Our company is one of a limited number of vendors approved by Fannie Mae and Freddie Mac to submit appraisals directly online through the portal.

InHouseUSA prides itself on our mortgage and appraisal experts who truly understand the needs of lenders. Whether the preference is to manage 'in-house' or outsourced, our best-in-class products and services combined with our deep industry knowledge allow us to provide improved processes and exceptional customer care.
