

**Short headline: Ponte Vedra Beach, FL - June 2016** - InHouseUSA is pleased to announce a new strategic addition to the team - Ms Krysta Case as Operations Manager.

### **InHouseUSA Appoints Ms. Krysta Case as Operations Manager.**

**Ponte Vedra Beach, FL** – InHouseUSA, is pleased to announce that Krysta Case has joined the company as Operations Manager.

**Krysta Case** joins InHouseUSA with a passion for providing the ultimate client experience. With over 15 years managing operations in Real Estate, Mortgage Lending and Relationship Management, Krysta's holistic perspective helps connect and unite teams towards optimum results. Krysta has provided team leadership in various roles with Bank of America and PHH Mortgage, supporting diverse, ultra-high-net-worth clientele.

Krysta will be focused on providing seamless transactional outcomes by building a foundation of communication, understanding and collaboration to support a wide network of lending entities, appraisers and internal groups. With her hands-on approach to relationship and business development, Krysta is committed to delivering quality results and exceptional customer service.

“Our operational processes are key to the success of InHouseUSA and I am confident that adding Krysta to our operations team will help us continue delivering excellence in execution and acclaimed customer service to our growing customer base.” said Tom McCormick, Chairman & CEO of InHouseUSA.

### **About InHouseUSA:**

Founded in 2002, InHouseUSA is a financial services technology company. We support top and mid-tier lenders nationwide; enabling the management of quality outsourced commercial and residential appraisals. Our company is one of a limited number of vendors approved by Fannie Mae and Freddie Mac to submit appraisals directly online through the portal.

InHouseUSA prides itself on our mortgage and appraisal experts who truly understand the needs of lenders. Whether the preference is to manage 'in-house' or outsourced, our best-in-class products and services combined with our deep industry knowledge allow us to provide improved processes and exceptional customer care.
